

Sirja Abdullah

Age: 22 years old

Occupation: student

Tech literate: literate

Sirja lives in northwest London. She grew up in a family where the shows were the ones in hospitals. Watching her parents get the best education in London to become a doctor.

As a newly graduated neurosurgeon, Sirja is a person who she also needs cheaper options. Sirja

"I will always take care of the wounded, no matter what!"

Sirja hates time wasting. She thinks that time

near the Wembley Arena. As a child, Sirja loved watching K-Dramas. Her favorite
this passion for human life, her parents made every effort to ensure that she'd
a good doctor. Now she has just finished her P.h.D. in neuroscience in one of the
ost prestigious universities in London.

lways on the run to save someone else's life. She is in her first job experience, so
also promotes global warming protests to try and avoid global warming.

ie is the most precious thing that anyone has. Sirja also find stressful to be in a
room with negative people.
